Reducing the Eligible Lists. - In order prevent an excessive number of appli cants for examination being on the list of the Civil-Service Commission, it has been de-Civil-Service Commission, it has been de-termined to limit the list by dropping from the records the applicants whose names have been thereon for six months. Many of the States have applications on file suf-ficient to fill their quota for many years. The District of Columbia, which is entitled to only four appointments out of 1,000, has 955 applicants, more than should be exam-ned in five years, and Maryland has 201 applicants on the list, Virginia 261, Penn-sylvania 288, and Onto 239. It is noted that the excess of female applicants over males is more than half in this District and Mary-land, while six times as many males as feland, while six times as many males as fe males are required by the Departments.

Internal Revenue Receipts.—The ag-gregate internal revenue receipts for November, 1885, were \$101,883.71 less than the receipts for November, 1884. There was a decrease of \$422,544.13 from spirits; an indecrease of \$429,544.13 from spirits; an increase of \$244,50.57 on the taxes on to-bacco; an increase of \$84,500.72 on beer, and a decrease of \$8,500.87 in miscellaneous articles. The collections of internal revenue from all sources, from July 1 to November 30, 1884, were \$47,333,778.09, and from July 1 to November 30, 1885, \$48,705, 400.80—an increase for the present fiscal year of \$1,471,222.71. During the last fiscal year the only items in which there was a falling off in revenue were in the taxes from spirits distilled from apples, peaches or grapes, \$4,208,45; stamps for distilled spirits intended for export, \$2,788; snuff of all descriptions, \$9,091,70.

Minor and Personal.

Assistant Surgeon R. W. Johnson of the Marine Hospital Service has resigned. The annual count of the internal revenue stamps on hand in the Treasury is now in progress, and has been going on since last

Saturday. The stamps represent a fac-value of about \$45,000,000. General Rosecrans, Register of the Treasury, was yesterday presented with a lifesize bust crayon portrait of himself, beautifully framed, by General West, one of his old comrades in arms, and the leader of the expedition which dug the tunnel from Libby Prison.

IN THE POLICE COURT.

The Greetings Extended by Judge Snell to Various Evil-Doers. Judge Snell received this morning at the Police Court between 8:30 and 9:30 o'clock His callers were twelve in number, and will be entertained from seven to ninety days at

the expense of the Government.

The first caller announced was William Sherman, alias Miss Mand, a tall colored man exquisitely dressed in female attire. So man exquisitely dressed in female attire. So complete was the disguise, that when Bailiff Barton ushered the prisoner into the dock, the clerk laid down the warrant in disgust and said: "This is a man's name on the paper and the prisoner is a woman." "The prisoner is a man," was the reply of the policeman who brought the charge. "Has she been arraigned!" inquired the Judge, whose attention had been distracted and who was not pleased at the delay in the proceedings.

The prisoner was dressed in a close-fitting, sky-bine silk dress, trimmed with white lace, and stockings of the same color as the dress, and patent-leather slippers that were very large. He had a bewitching fascinator on his head besides a wig and bangs. He was arrested last night in this rig by Officer Penny, and pieaded guilty to a charge of vagrancy. A Handsome Team.

The great Atlantic & Pacific Tea Com-pany can truthfully boast of owning one of the finest teams in the city, being exactly the finest teams in the city, being exactly matched in color and size. They are usually driven to a light business wagon, with a splendid set of expensive harness elegantly mounted and decorated with bright yellow plumes, which is a pretty contrast and shows to an advantage upon the promi and beautiful scal-brown team. Mr. N. H. Bowman, the energetic manager, who controls for the firm two of the largest tea and coffee houses in this city, on the corner of Seventh and E streets and 1939 Fourteenth street, handles the ribbons exceedingly dexterous, and can easily drive them a mile in 2:40. They can be seen daily on the principal streets attached to their light and nicely-finished delivery wagon.

It is rumored that the supply of Dr. Bull's Cough Syrup is not equal to the demand. Druggists should prepare themselves for all emergencies as the people rely on them for this remedy.
